JEW DAVID'S HEBREW PLASTER. THE great remedy for Rheumatism, Gout, Pain in the Side, Hip, Back, Limbs and Joints, Scrofula, King's Evil, White Swellings, Hard Tumors, Stiff Joints and all pains whatever.
Where this Plaster is applied, Pain cannot exist. It has been beneficial in cases of weakness, such as Pain and Weakness in the stomach, Weak Limbs, Lameness, Affection of the Lungs in their primary stages. It destroys inflammation by perspiration.

The following commendation is from an agent residing at Trenton. Tennessee. TRENTON, Gibson County, Tenn., Nov. 7, 1848. Messrs. Scovil. & Mean—Gentlemen: The Hebrew Plaster is becoming popular in this section. There is a lady in this county who says she would not be without this Plaster for five hundred dollars a year. She was afflicted for some time with an enlargement of the spleen, which gave her a great deal of pain. The swelling and pain had extended up nearly to the arm-pit, and occasionally she could scarcely breathe. She was confined for a considerble time, during which she was attended by some of our best physicians, but they gave her no relief. She procured a box of the Hebrew Plaster, and it relieved her almost immediately, and now she keeps a supyly of it on hand constantly. These facts you are at liberty to use as you think proper—they are Respectfully, yours, &c. JESSE J. WELLS. substantially true.

Beware of counterfeits and base imitations. Dealers and purchasers generally are cautioned against buying of any but our regular agents, otherwise they will be imposed upon with a worthless article, as many base counterfeits of this Plaster are in existence.

Remember. The genuine is sold only by us, and our advertised Agents throughout the South. No Pedlar is allowed to sell it. In future the genuine will have the signature of E. TAYLOR on the new steel plate engraved label on the top of each box; to counterfeit which will be prosecuted

NINETY TOWN LOTS WILL BE SOLD AT AUCTION !

On Tuesday, 15th March, 1853. THE above LOTS are in the town of STEVENSON, at the junction of the Memphis and Charleston, and the Nashville and Chattanooga Railroads, 280 miles from Memphis, 113 miles from Nashville, and 85 miles from Chattanooga, and in Jackson county, Alabama. This place is at the point of Cumberland Mountain, situated on the margin of one of the richest valleys of Tennessee river, and surrounded by forests of the best timber in the Union, and iron and coal to an unlimited extent. The Nashville and Chattanooga railroad has been finished to and past that point from Nashville, and the part of this road between Stevenson and Chattanoo-ga will be done by July next, and the Memphis and Charleston road from this point to the foot of the Muscle Shoals, a distance of 170 miles, is all under contract, and far advanced or finished, and will all be done in 10 to 18 months. The Selma road will enter the Nashville and Chattanooga railfoad a few miles beyond Stevenson, and the connection at Chattanooga with the East Tennessee and Virginia roads, the Georgia, Alabama and South Carolina roads, and the Selmaroad this side, and with the South-west through the Memphis and Charleston road, connecting with the New Orleans and Nashville, and Mobile and Ohio railroads, and by the Nashville and Chattanooga road to Nashville with all the North and North-west valley of the Mississippi, gives Stevenson a most commanding position for a manufacturing and commercial point, and justifies, we think, the prospect of a large city. Water, one of the vital necessaries of life, flows out of the mountain at this place in great abundance for all local purposes, and to supply any number of steam engines; and of the inest freestone and limestone.

This point is healthy, and combines the scenery of Switzerland with the climate of Italy, connecting mountain and valley. The rich lands and minerals, are here in immediate contact, with all these railroads to carry the products of either to market, in any direction. There is already a thriving little village at this place, all

built in a few months, and great desire to buy on the part of parties at a distance. This sale is advertised to give all a chance at public sale, which will take place as above stated, on Tuesday, the 15th day of March next, commencing at 10 This place is, in point of railroad connection, simularly situated to Atlanta, Ga., but much more advantageously, in

regard to productiveness of soil and coal and iron, which surround it, and Atlanta, now six years old, has a population of over 6000 of the most thrifty people in this Union.

Persons wishing to attend this sale, can reach Stevenson daily by steamboats from East Tenneseee, South Carolina and Georgia by way of Chattanooga, and from Alabama by a daily line of steamers from Decatur, and a daily line of rail-road cars from Nashville, Tennessee. One-tenth of the purchase money will be required to be

paid down, or a good well secured note at not over 4 months, as may be agreed upon, and the balance in one and two years with a lien retained on the ground to secure payment. Plans will be exhibited on the day of sale. J. F. ANDERSON & CO. Feb. 14, 1853-w2t dtd

Doct. J. C. Aver : I write to inform you of the truly remarkable effects of your CHERRY PECTORAL in this place, and in my own

family. One of my daughters was completely cured in three days of a dreadful Whooping Cough, by taking it. Dr. Means, one of our very best physiciaus freely states that he considers it the best remedy we have for pulmonary diseases and that he has cured more cases of Croup with it than any other medigine he ever administered. Our clergyman of the Baptist Church says that during the run of INVLUENZA here this season, he has seen cures from
